--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

The reply filed 22 December 2003 is acknowledged.

1.  The reply filed on or after the date of filing of an appeal brief, but prior to a final decision by the Board of Patent Appeals and Interferences, will not be entered because:
  - a.  The amendment is not limited to canceling claims (where the cancellation does not affect the scope of any other pending claims) or rewriting dependent claims into independent form (no limitation of a dependent claim can be excluded in rewriting that claim). See 37 CFR 41.33(b) and (c).
  - b.  The affidavit or other evidence is not timely filed before the filing of an appeal brief. See 37 CFR 41.33(d)(2).
2.  The reply is not entered because it was not filed within the two month time period set forth in 37 CFR 41.39(b), 41.50(a)(2), or 41.50(b) (whichever is appropriate). Extensions of time under 37 CFR 1.136(a) are not available.

Note: This paragraph is for a reply filed in response to one of the following: (a) an examiner's answer that includes a new ground of rejection (37 CFR 41.39(a)(2)); (b) a supplemental examiner's answer written in response to a remand by the Board of Patent Appeals and Interferences (37 CFR 41.50(a)(2)); or (c) a Board of Patent Appeals and Interferences decision that includes a new ground of rejection (37 CFR 41.50(b)).

3.  The reply is entered. An explanation of the status of the claims after entry is below or attached.
4.  Other: Additionally, the amendment filed 12/22/2003 was not entered because the amendment to claim 1 replaces the term "polyolefins" with "propylene homopolymers or copolymers", the Examiner notes that such an amendment clearly changes the scope of the invention, and raises new issues that would require further consideration and/or search. Furthermore, it should also be noted that the amendment is non-compliant, because it does not list all the claims.
